- e) There has been a complaint about “foul” language at the post. There is a procedure in place as to the use of language at such a volume that it disturbs the other members. We are not going to police what people say but how loud they say it; this is a place for all members to enjoy and the loud use of vulgar language or obnoxious behavior may result in the bartenders asking the member to leave.

1845 Motion to Adjourn made by Brain. 2nd Tommy. Approved unanimously.

Respectfully submitted.

Caleb Guy
Post 58 Adjutant
